Dear Minister,

Re: Annual Statistical Report

Per the Bermuda Bar (Barristers and Accountants AML/ATF Board) Rules 2018 Section 12, please find enclosed our Annual Statistical Report for 2020/2021 AND 2021/2022.

Despite the COVID 19 lockdowns and subsequent challenges in collecting and collating the relevant information, we have managed to prepare the data for both registration periods. This is due to the efficiencies created from the new portal and the alignment of the 2022 registration period with that of the Bar Association.

Yours sincerely

Hon. Michael M. Fahy, JP
Chairman
